# THE PURE SPICES BRAND

J-Pure is India's premier spices brand known for its right blend of taste, aroma and freshness. Established in 2011, the brand has earned a great reputation among Spices market within a couple of years. The brand owner Mr. Harish Jasoria has the innate expertise in the processing of spices which he has got from the family lineage. Having joined the business at the age of 19, he not only makes sure that the spices are grounded, but also hygienically packaged to preserve the aroma.

At J-Pure, authenticity is a priority. We source raw material directly from the center of production to maintain uniform taste and quality. Thereafter, they are carefully grounded passing through various stages. An in-depth laboratory examines every batch of spices before they are finally packed.

To sum up, the success of J Pure is backed by the quality products, marketing networks, the continuous survey of customer needs, and up-gradation of products as per standards.

## OUR VISION AND MISSION

**"To become the most trusted, authentic and premium spices brand imparting the genuine taste to Indian dishes."**

We aim to deliver the outstanding quality of spices. We actively respond to changing market dynamics, giving 100% attention to the manufacturing process.

## CERTIFICATION & QUALITY ASSURANCE

Spices are an indispensable part of Indian households. Today's average Indian consumer can't be fooled by supplying degraded spices for a long time. Hence, we are dedicated to maintain the same standards of purity in every pack be it masala or Other products like Hing, Mustard oil, Ubtan, Custard Powder, Poha, Kesar Thandai , Pulses and Dry Fruits.

For J-Pure, the pioneering company in spices, quality is the essence. J-pure great authenticity is backed up with research, innovation, and technology. As a result, the company has got **Agmark and AN ISO 22000:2005 & HACCP CERTIFIED COMPANY**.
